TRODAT PROFESSIONAL SELF-INKING TEXT & DATE STAMPS

Incorporates a 3mm or 4mm date band with the text of your choice. The date is easily set by turning the date bands and now comes with a protective band cover to stop ink on fingers.

- Comes with a built-in red/blue ink pad so no need for a separate stamp pad
- Daters now have band covers to prevent ink on fingers when changing the date
- Date bands always appear in the centre of the stamp
- All dater models supplied with red/blue ink pads as standard unless otherwise requested on order.

Smart Style and Pen Stamps

Many people greatly appreciate stylish writing instruments and their practical benefits. The Trodat Goldring combines style and function in the perfect way. The high-quality, elegant stamp pen is the perfect addition to professional and personal life.

Personalise your Goldring Smart Style by having the cap engraved. The engraved characters produce a silver shine and give the pen an exclusive elegance. This allows you to create an individual gift for any occasion.

In addition to writing and stamping, the Goldring Smart Style offers another important feature. The Touch Pen cap allows the user to accurately and smoothly operate the screen on a smartphone or tablet, making it a truly multi-functional pen.

PRODUCT FEATURES

A writing instrument and a stamp all in one—the Goldring series has great functionality and timeless design. People value this product for its exclusive nature, and use it to show flair and individuality.

The unique combination of pen and fully functional and customisable stamp enables a wide variety of uses and makes Goldring products ideal as a gift. These pens can also be engraved to add even more of a personal touch.

STYLE

The Goldring range marries timeless design with precise writing and stamping capability. The superior aesthetic combined with their reliability makes a Goldring pen an ideal gift for someone who will appreciate their incredible functionality.

CLEAN IMPRINT

As with all Trodat stamps, clean impressions are guaranteed. In the Goldring pen, this is no different. The ingenious mechanism ensures optimal pressure distribution across the entire text plate making smooth, clean imprints. Every time.

DURABLE

All Goldring pens are manufactured with materials, mechanisms and finishing process carefully considered and perfected. This ensures that every pen is of the highest standard and will give the user a lifetime of enjoyment.

ENGRAVING

This product can be engraved on the outer casing. Please contact us for more details

How it works...

TRODAT ECLIPSE & DIE PLATE DATERS TRADITIONAL RUBBER STAMPS

The Eclipse and Die Plate Daters are traditional rubber stamps, for use with a separate stamp pad.

- Priced by size. Prices include borders, circles, ovals, signatures, tabular settings and artwork
- Traditional rubber text stamps can be any size - e.g. 73 x 34mm
The grid shows the maximum size for each price

**Have you considered a self-inking stamp with built in stamp pad?
Self-inking stamps are available in sizes up to 82mm width x 46mm height**

- For use with separate stamp pad - see page 34
- Die Plate Daters combine a personalised message with a changeable date - date appears in the centre of the stamp - see table below for possible sizes

For stamps with designs, logos or signatures, please send original black & white artwork with your order.

TRODAT IMPRESSOR PRE-INKED TEXT STAMPS

Pre-inked stamps give print-like quality impressions making them ideal for signatures, logos, names and addresses.

- The ink is contained in the printing material of the stamp itself, so no need for a separate stamp pad. Black, blue, red, green and violet ink colour is available (please allow 2 days extra for delivery of green or violet ink)
- The high density ink gives a quality impression, but is not advisable for use on coated paper
- For stamps with designs, logos or signatures, please send original black & white artwork with your order
- Not available in dater models
- Ps1 ink is available to re-ink your pre-inked stamps - see page 34

Mick Johnson & Partners

RE-INKING INK

- Compatible with Trodat Impessor range of Rubber Stamps
- Contains 10ml of ink
- Black, blue, red, green and violet ink colour is available (please allow 2 days extra for delivery of green or violet ink)
- The high density ink gives a quality impression, but is not advisable for use on coated paper

PRINTED POSTAGE IMPRESSIONS

trodat[®]

keep updated...
...to make the right impression

The Royal Mail are changing the design of their Printed Postage Impressions.

Each PPI design has its own specification which has to be followed. The PPI design must not be altered other than to insert your PPI licence number and, where appropriate, a town name. All other text must remain fixed, also there is no need for your artwork to be checked by Royal Mail before posting.

STAMP PADS & INKS

Trodat supplies a complete range of standard and gel ink stamp pads to suit all requirements.

MICRO GEL STAMP PADS - THE PREMIUM STAMP PAD

Micro Gel Stamp Pads are made with a unique pre-inked microporous material, to ensure a professional impression. Will not dry out easily, even if left open. Contains enough ink for years of normal use. No re-inking required. Secure snap-close plastic box.

Regular - **110 x 70mm**

- available in 5 colours; black, blue, red, green and violet

Large - **127 x 88mm**

- available in 5 colours; black, blue, red, green and violet

STANDARD STAMP PADS

Quality ink ensures the maximum number of impressions before re-inking of the felt material is necessary. Re-ink with Dormy Stamp Pad ink.
